Membership Updates

We have had another record month with regards to membership growth, ending off a very successful financial year. E Banc Trade is definitely on target to reach 10,000 members by the end of 2003, making us the second largest trade exchange in Australia behind BarterCard. As expressed earlier on, we estimate that E Banc Trade will be number one in 18 months.

Australian Licensees number in excess of 45, and internationally we now have England, Netherlands, Belgium, Germany, Malaysia, and Vietnam confirmed as active licensees. The first week in July saw Licensee representatives from England and Malaysia visiting Head Office to learn the E Banc Trade system so they can successfully duplicate our winning formula in their countries. Representatives from Vietnam will be here in a few weeks time. Our priority is to bring as many countries as possible into E Banc Trade, which represents greater opportunity for our members around the world to spend down their trade dollars.

We are currently implementing new services and facilities for members which offer easy access to Home Loans, E Banc Phones, an online Art Gallery, and a world-first Trade Cam which will be available from our website home page. This means that anyone in the world will be able to view our Head Office warehouse between 9am and 5pm Australian time.

As explained in our earlier newsletter, sponsorships, My E Heart, and E Banc Trade World Aid are all going to be set up under the umbrella of the E Banc Foundation. Our direction now is to assist small business, and also the community, and the E Banc Foundation will help us achieve this goal.

Our E Banc Trade seminar team head off to Victoria, Tasmania and New South Wales this month to hold educational sessions for our traders, and any prospective members, on how to make the most out of E Banc Trade.

As a final note, we would love to hear from anyone who is interested in holding an E Banc Trade License.

ADMIN NOTES

Members please include either your account number, or your account name when invoicing Head Office, particularly when the business name on the invoice differs from the name by which you are known here at E Banc Trade.

It is also important to include your account number when forwarding cheques for credit to your account. Business names were not included on older versions of our cheque books, and sometimes it is difficult to read a handwritten business name.

Development Construction Report

By Darren Hyde

The Development Construction Department has been very busy, with a lot of interest shown by members to spend their E Banc Trade dollars on supplies and suppliers. We have already achieved some terrific results with members totally surprised at the quantity and quality of supplies that are now available. Not only that, but, day by day we are increasing our supplies to ensure developers, builders and tradesmen can all benefit from buying their requirements with a percentage of E Banc Trade.

What's the most common question . . .

What is the price?

The answer is easy! It is your price. Our golden rule has not changed i.e. price right, trade percentage negotiable. So all you need to do is fax a genuine written cash quote to the Manager, Development Construction, 07 5502 0399, and we will contact you to let you know if we can supply, and what percentage of E Banc Trade is available. Not only that, if we do not have the supplier on board yet, we will endeavour to secure it for the members as soon as possible. Supplies are predominantly based in Queensland as this is where most demand has come from, but as the demand grows, we will increase national supply deals as well.

If you happen to have supplies available on a National supply level, please feel free to fax information to 07 5502 0399 or email to darren@ebanctrade.com, or post brochure etc., to the attention of:

Darren Hyde,
Manager Development Construction
Unit 8, 12 Lawrence Drive, Nerang Qld 4211

If any tradespeople or construction companies are looking for work please send your information to Darren, providing details of:

- Areas you are available to work/build in
- Size of projects/houses you can handle or build
- Previous work experience and building history on types of houses/projects

Keep in mind every time you use an E Banc Trade supplier or tradespeople, it will create another opportunity for a unit, house or shop to be sold to an E Banc Trade member.

When was the last time one of your cash suppliers or tradesperson brought one of your units, houses or shops?

Don't worry about when your next house/unit is going to sell! Worry about how many you can build!

Adopt a Business

Adopt a Business was launched at a breakfast at the Purple Olive in Brisbane on Tuesday June 17th. Twenty-five people braved the cool morning air to support the launch of the E Banc Foundation's first charity initiative to assist Integrity Care's Micro Enterprise Development programme.

Gary Waters gave an inspiring presentation on the logistics of the programme that has a 99% success rate in the countries where the programme is facilitated.

Support for this programme has been very good on the lead up to the launch and we hope that the E Banc Trade network will pull together to achieve great things for the fight against poverty.

Sponsoring a business through this programme could be the most significant contribution to a developing economy that you will ever make. Africa, in particular, is showing a dramatic increase in economic development and has great potential to deliver economic benefit to those who choose to trade with it.

Please support the Adopt a Business programme by sponsoring today. For more details on this fantastic initiative please log onto www.ebanctrade.com, email info@ebanctrade.com, or phone Brett Skjonnemand on 07 5437 7230.

Gary Waters of Integrity Care

Disaster Relief Donation

The Disaster Relief Donation programme has been exceptionally well received in the licensed area of Goulburn Valley / Shepparton.

To date the Licensee, Ken McNamara, has approved the applications by 21 dairy farmers for the once-off donation to assist them through troubled times. With drought having a major effect on the local farming community, the Disaster Relief Donation has proved to be very popular.

Those farmers to receive donations are now talking of joining E Banc Trade as a trading members once the donation is spent. One farmer has said that he will now sell cows to the local E Banc Trade butcher. Ken is making good use of an E Banc Foundation promotion and is now receiving the benefits in his local area. Well done Ken.

E Banc Trade Telecommunications Providers

E Banc Trade members will soon be able to access information on any telecommunications companies who offer rates with a percentage of trade, by going onto our E Banc Phones website. This will give you the opportunity to choose the service most suited to your requirements. Keep watching the Newsletter and email Bulletins to find out when this is available.

E Banc Phones

E Banc Trade is happy to be able to offer a new phone service, not only to our members, but also to the wider Australian community. Due to the rapid and extensive growth E Banc Trade has experienced, we are able to negotiate rates directly to obtain the best benefit for our members. And what's more, there is no set time period attached to the service agreement, so if you are not happy with the service, you can leave at any time. We believe that the rates offered below will be far more economical than those you are currently paying.

It is our aim to continually improve our service to you as well as make other excellent services available at the right price, with a trade component. You will find the bottom line on the rates we are bringing you, is better than anything you will have seen in the way of phone rates!

Not only is this a great service for you to conserve cash on an ongoing business expense, but also an opportunity you can use to attract new business which whom you would like to spend trade. This is a product you can present to anyone you know who is

- In business
- Wants to save money

E Banc Phones is not only available to members, but any business can take advantage of these excellent rates, by substituting the use of script for the trade component of the bill.

To take advantage of this service, and save money, complete the application for service form which is available online (www.ebancphones.com) or in hard copy from Head Office, or by calling the support staff on 07 3273 4737. Simply fax the form to 07 3272 6192.

CHARITY FUNDRAISER

Michael Esler

After a series of fundraising events that achieved a total of \$5,126, E Banc Trade is proud to announce that Michael Esler will be playing for Australia at the upcoming British Open Wheelchair Tennis championships.

Thanks to the generosity of the Sunshine Coast public, the amount raised was enough to get Michael to England for this event, and another in Belgium.

Michael will also have a new wheelchair made for him upon his return to Australia and at half the price, thanks to the manufacturer.

Our thanks to go to all those who gave of their time and money, including

- Bill & Cheryl Horner & staff at The Loaded Crust
- Reed Property Group
- Singing Star, Christie Davis
- Wheel chair people
- Michelle Frost and Steve Woods
- Richie Jarman
- Robert Hillier of Sports Memories
- Get Wines Direct
- Sydney Cider

**Congratulations Michael.

QUALITY MANAGEMENT

Give your business a competitive edge over rivals by setting up a Quality Management System in accordance with the new international standard ISO9001:2000, and establish your business as a respectable leader in its field. ISO9001 can open up new markets both at home and overseas. Last year alone, over 102,000 companies adopted it as their quality standard, and have third-party accreditation proving that it works.

Best Practice Business Systems is offering its services, including a free check on your company's Health & Safety legal requirements, to members in South-East Queensland on a **40% trade** basis.

Why not take a couple of minutes and check out the benefits of ISO9001:2000 on our web page on:

www.bestpractice.ebanctrade.com

HEALTH & SAFETY

It's so easy for Health & Safety to be **overwhelming** and to take a back seat – "I'll get to it tomorrow....."

Are you aware of your obligations under Health & Safety Regulations? Are you at risk? In our experience many companies are. Are you one of these?

We can help you.

Best Practice Business Systems offers E Banc members in SE Queensland a diagnostic check on your H&S system and will assist in putting together an action list, so that you can work towards meeting existing regulations. Cost is \$500 with 20% trade plus GST for businesses within 50km round trip from E Banc Head Office. (Add 25c/km for trips over 50km)

Get peace of mind – it's easy. Contact Jim Joyce on +61 7 5491 1448 or email best.practice@bigpond.com
