Mercury Principle Events Winning Post Derby Day

For up close action nothing beats Mercury Principle Events marquee in "The Winning Post Enclosure" at historic Flemington Racecourse. This enclosure is positioned opposite the winning post with its own private grandstand, magnificent rose gardens, bookmakers and Totalisators.

Elegantly finished with silk lining, closed circuit television, elevated carpeted floors and outdoor garden area the marquee is air-conditioned and fully furnished to provide the perfect environment for you and your guests. We are located in the prime position of the enclosure only meters from everything.

To Book or for further details:

Phone or email us & we will send a booking form.

Bathurst Race Car

A Bendigo team is set to attack the famous Mount Panorama motor racing circuit at Bathurst NSW in the 24 hour Procar race on November 22/23
The Team today took delivery from Symes Motors of a new BMW M3 coupe valued in excess of \$150,000 for the assault on one of Australia's most famous race

tracks.

"The support of Symes Motors and BMW Australia, together with our major sponsor E Banc Trade, ensures we have a flying start to the enormous challenge that exists in competing in a 24 hour international standard event" David added.
"The E Banc Trade sponsorship gives us access to skilled tradesmen who can assist with different aspects of the cars preparation, and with E Banc's worldwide network the international telecast of the race will ensure greater exposure for our sponsor.

The Team still have opportunities available for new sponsors who may be interested in promoting their business or simply being part of this Bendigo challenge to the worlds best cars and drivers. Contact David Stewart on 0409 199 054.
