

## BRISBANE NORTH UPDATE

2<sup>TH</sup> JULY 2004

Trading alternatives for business for lifestyle for you

### FROM THE ADMIN DESK

#### Trading Tip for The Week

Visit your local E Banc Trade Office regularly as we have a display of member brochures and business cards and can keep you up to date on New Members and can help you with sourcing products. We are here to help you.

#### *Are You in Need of A New Directory?*

We print our membership directories every three weeks to allow for charges and new members.

Whenever you are searching for goods and services in the membership directory always check the date in the bottom left hand corner to see how up to date your directory is. If you cannot find what you are looking for, contact Customer Support as we may have a new member who can assist you.

The membership directory available online at [www.ebanctrade.com](http://www.ebanctrade.com) is the most up-to-date version and the best source of information.

If you would like to order a new membership directory contact Head Office, or request a directory by email to [jackie@ebanctrade.com](mailto:jackie@ebanctrade.com). You can request a Queensland directory OR one listing all other states' members. This will be charge to your account at \$5.

Putting these two directories together gives you a National Membership Directory, which together costs \$10.

#### *Clarify E Banc Trade Membership*

When contacting other members to spend your trade dollars, it is important to clarify that you are with E Banc Trade.

Sometimes confusion has occurred where a member has phoned another member and asked "Do you take Trade?" or "Do you take Barter?"

The person taking the call may get this confused with a different trade exchange.

They may not be taking one trade but still dealing with E Banc Trade.
