Welcome to our first issue of 2007. We are keen to prove to you that the changes to your exchange will only see its growing stronger with increased trading, rising membership numbers and greater product availability with larger trade percentages.

We realise this change may have come as a surprise to many of our members. The short notice was not from lack of consideration for our members, after all, *without you, there is no exchange*. We did not want to say anything until we were 100% sure that the changes were going to take place, and when they did, it was an extremely fast process. We hope you understand.

Our International offices still operate under the E Banc Trade exchange name (Malaysia is E Planet Trade), however our international trading is still as simple as it always was. Our International chequebooks can be used in any country and are available from each country's head office.

Please be assured that all your trade dollars are safe with Empire Trade and until we have our new stationery and cheque books printed, all E Banc Trade cheques will continue to be accepted. New chequebooks will be mailed to you once available.

Please ensure that all future cheques are made out to Empire Trade Australia. Our new bank account for direct deposits is with

ANZ Bank
BSB **014 616**
Account number **4921 21289**

We all look forward to the exciting future ahead of us and are keen to allay any fears of concerns you may have. Please email us with any queries to info@au.empireXchange.com.
