**DON'T KEEP IT A SECRET****Refer a new business that joins the exchange and receive \$100 cash!**

Empire Trade invites members to receive \$100 cash paid directly into your nominated bank account for referring a new business to the Exchange.

Members who understand the benefits to their business from trading within the Empire Trade Exchange, and who encourage other businesses to take part in what is a truly unique and affordable way to grow your business, can now receive \$100 cash for their efforts.

Most business owners would agree that a large percentage of their clientele comes from word of mouth; so we thought who better to refer new members than the members themselves. The new cash referral bonus encourages you to continue promoting Empire Trade with the added bonus of \$100 if the new business joins the exchange.

For years members have been promoting the Empire benefits of extra business, interest free loans, free advertising, and real estate opportunities, to fellow business owners. So why not get paid?

There are no limits to how many times you can receive this cash bonus – simply keep recommending the exchange to businesses that choose to join.

**Simple conditions apply:**

- The referring member must set up an appointment between the new business owner and an Empire Trade representative, to be held at your local Empire Trade office.
- The membership fee of \$330 Cash must be received in full from the new business.
- The referring member needs to complete the referral form, including bank account details, for the payment of the cash bonus to be processed.

**So, why not start today?**

**Refer new businesses that join; earn \$100 cash each time; and take advantage of the extra memberships to increase your own trading.**

## Trading Bouquets

Dear Empire Trade Members,

Welcome to our most recent section 'Trading Bouquets'. Every month we will place positive trading feedback sent to us from our members who have had a great trading experience with another member. This will give you a chance to share your personal experience and commend those members of Empire Trade who do their very best to help you with your business or individual needs. If you would like to 'dob in' a member who you think deserves a trading bouquet then please do not hesitate to contact us using the following details:

#### The Economy of Concentrates...

Some of our products may seem a little more expensive than supermarket brands, until you look a little further!

Our products are highly concentrated needing only very small doses, ensuring that they last and last, ensuring excellent savings. There is also a huge saving on packaging waste as you refill the same trigger spray bottle each time.

For example, All Purpose Cleaner diluted with water in a trigger spray bottle will make up to 50 bottles!

#### Think how long that would last!
