June  
2009

Volume 6 - Issue 2

## Tips when Contacting Members to Trade

When contacting members with the intention to trade, etiquette requires you to identify yourself as an Empire Trade member, this is a very important key to your future transactions as some businesses will not recognise names like E Trade, E Bay, Barter or E Banc all mistakenly used to identify Empire Trade Exchange.

You need to be clear which trade exchange you are referring to as some members are members of more than one trade exchange and may not be willing to accept trade dollars from all exchanges.

It is also important to ask for the account holder or the name of the person listed on the account, as many businesses have multiple staff who may not be aware of the businesses trade practices.

Please follow these simple steps when contacting members to ensure an effortless transaction. If you come across a member that is not willing to accept your trade transaction please don't forget to notify Head Office staff.

Once you negotiate your purchase with another Empire Trade member you have the option to pay the member via the internet (online transaction) or by writing out an Empire Trade cheque for amounts up to T\$2999. Please contact Head Office when transaction is T\$3000 and over.

If you do not have a cheque book or your username and password to access your account online please contact head office on 07 5437 7220 or email [hq@au.empireXchange.com](mailto:hq@au.empireXchange.com)

#### Please read further for the conditions of the sale:

1. Buyers must be aware that we (Sandhurst Homes) do not own the land, it is common practice to merely place blocks on hold with developers and try to sell them as a package deal. Once sold, the buyer has to purchase the land via a separate contract from the building contract. The land must be purchased first and be in the name of the buyer before construction can begin. However, both contracts are signed at the same time.
2. As the land is not owned by us (Sandhurst Homes), the Empire Trade component cannot be used towards the purchase of the land.
3. The buyer may only pay their Empire Trade component as part of their lock-up payment. This ensures that the builder has cash funds to commence construction. Most of the items purchased by the builder through the Empire Trade system are required at around the lock-up stage or shortly thereafter.
4. There is a list of separate inclusions that applies to these packages, please email for a copy, as the inclusions list on the website is slightly different and does not apply to packages purchased with a trade component.
5. These packages are full build packages, the homes are completely finished inside and out, we then organise a referral to a reputable letting agent in Bendigo who will source a suitable tenant, and then we supply a depreciation schedule for the investor for tax purposes.
6. We have a local finance division which can assist with financing the deal.
7. The Empire Trade component on any of these packages cannot be negotiated any higher, however lower trade component will be accepted.
8. Anticipated rentals on the above properties are between \$260 - \$295 per week. Please email us for further details.
9. All prices include GST.
10. Contracts are provided within 21 working days, and the home is built within 150 calendar days under the terms of the building contract. It is a standard Master Builders Association building contract.

If you are not familiar with the area of Bendigo, we have some information which will explain where it is and why it is a wise move to invest there. The inclusions list is also available upon request.

Please contact us if you require any more information regarding this investment opportunity.

People are most welcome to visit our website [www.sandhursthomes.com.au](http://www.sandhursthomes.com.au) to view the plans properly as well as other properties that they may prefer.

Please contact Amanda Oliver from Sandhurst Homes on 0417 222 249
