IMPORTANT DIRECT DEBIT INFORMATION

A number of members have asked why we do not action direct debit payments for fees every month. We have in the past only actioned direct debits once the fees reached \$20.00 or above.

It has come to our attention that in a lot of instances this has caused a reconciliation problem for members because of irregular deductions from their Bank or Credit card accounts. To rectify this, it was decided on the 7th August 2009 that we would change the procedures for direct debits and this has been posted on our website. As of 21st August 2009 direct debits will be applied to any fees owing on amounts of \$5.00 and over.

If you have any questions or concerns please contact Head Office on 07 5437 7220 or email hq@au.empireXchange.com
