Membership Directory

All trading members are listed in the Empire Trade Membership directory at no cost. Members are listed under categories similar to those you see in the Yellow Pages Directory. We encourage our members to get into the habit of searching the Empire Trade directory for products or services before they spend their cash. You will be amazed at how easily you can conserve your cash. Each listing in the directory includes contact details, business listing information and the members last known accepted trade percentage.

National directories can be ordered at a cost of \$10 cash (incl GST), State directories can be ordered at a cost of \$5 cash (incl GST) and will be debited to your Empire Trade cash fee account. This way you will have up to date member information to assist you to source product and identify new markets. To order a directory, simply phone our office or log on to the Empire Trade website with your username and password and click on "Directory Order".

The membership directory is only current on the day it was printed (the date is displayed on the bottom of each page). The most up to date Directory is available on the corporate website www.etxint.com Once you are logged in you have the advantage of making more refined searches - by category, postcode, town or region - or you can simply download the entire membership listing.

To ensure that other members can contact you with their enquiries, you must ensure that your listing in the directory is current. There are several ways you can update your details:

Log in to the Empire Trade website and select "Change Details" and follow the prompts.

Phone head office on 07 5437 7220 and request to be updated.

Email: membersupport@au.etxint.com listing your account number and the details to be changed.
